## HARRISON BISHOP

*The Ancient World to the Present* Carson-Dellosa Publishing  
 Presents a history of the ancient world, from 6000 B.C. to 400 A.D.  
*Everything You Need to Ace World History in One Big Fat Notebook* Carson-Dellosa Publishing  
 This book features reading selections exploring cultures from around the world and assessments that utilize a variety of questioning strategies, as well as map activities and a downloadable version of the reading text at a lower reading level for struggling readers.  
*Ancient Times - From the Earliest Nomads to the Last Roman Emperor* Speedy Publishing LLC  
 Supplement your social studies curriculum with 180 days of daily practice! This essential classroom resource provides teachers with weekly social studies units that build students' content-area literacy, and are easy to incorporate into the classroom. Students will analyze primary sources, answer text-dependent questions, and improve their grade-level social studies knowledge. Each week covers a particular topic within one of the four social studies disciplines: history, economics, civics, and geography. Aligned to the National Council for the Social Studies (NCSS) and state standards, this social studies workbook includes digital materials.  
*Ancient Hebrew History and Culture for Kids | Ancient History for Kids | 6th Grade Social Studies* Charlesbridge  
 Ancient history has surely led to lasting beliefs, traditions and culture. An example would be Christianity, with origins from several Jewish prophecies. This book discusses the origins of Christianity, along with lessons on the life and teaching of Jesus. It also touches on the contributions of St. Paul the Apostle, until the spread of Christian beliefs. This book is an interesting read. Grab a copy today.  
*First Civilizations* McDougal Littell/Houghton Mifflin  
 Going back to the past is both scary and exciting, with it being mysterious and all. But this picture book provides just the right sneak peek into forgotten times. Here, you get to see for yourself how ancient civilizations lived and how their lives are so tightly knitted with ours. This is an exciting book to keep, so make sure you get a copy now  
*History Alive!* Sophia Perennis  
 Pinocchio, The Tale of a Puppet follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. Pinocchio, The Tale of a Puppet is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinnocchio. It includes 40 illustrations.  
*World History California Ancient Civilizations Enrichment Workbook Grade 6* Holt Rinehart & Winston  
 Yes, the Ancient Greeks thought of women as second-class citizens but they also acknowledged the importance of the females. You can see a lot of literature pointing to how women were revered in ancient times. Ancient Greece was a society a lot more open-minded and progressive than any other civilization that flourished at the same time. Would you like to know why? Then read this book today!  
*The Golden Bull* Speedy Publishing LLC

Spectrum(R) Grade Specific for Grade 6 includes focused practice for reading, language arts, and math mastery. Skills include grammar and usage, parts of speech and sentence types, vocabulary acquisition and usage, multiplying and dividing fractions and decimals, equations and inequalities, problem solving in the coordinate plane, probability and statistics, and ratios, rates, and percents. -- Each Spectrum(R) Grade Specific workbook includes a writer's guide and step-by-step instructions, helping children with planning, drafting, revising, proofreading, and sharing writing. Children in grades 1 to 6 will find lessons and exercises that help them progress through increasingly difficult subject matter. Aligned to current state standards, Spectrum is your child's path to language arts and math mastery.

 Holt World History California  
 It's the revolutionary world history study guide just for middle school students from the brains behind Brain Quest. Everything You Need to Ace World History . . . kicks off with the Paleolithic Era and transports the reader to ancient civilizations—from Africa and beyond; the middle ages across the world; the Renaissance; the age of exploration and colonialism, revolutions, and the modern world and the wars and movements that shaped it. The BIG FAT NOTEBOOK™ series is built on a simple and irresistible conceit—borrowing the notes from the smartest kid in class. There are five

books in all, and each is the only one book you need for each main subject taught in middle school: Math, Science, American History, English, and World History. Inside the reader will find every subject's key concepts, easily digested and summarized: Critical ideas highlighted in marker colors. Definitions explained. Doodles that illuminate tricky concepts. Mnemonics for a memorable shortcut. And quizzes to recap it all. The BIG FAT NOTEBOOKS meet Common Core State Standards, Next Generation Science Standards, and state history standards, and are vetted by National and State Teacher of the Year Award-winning teachers. They make learning fun, and are the perfect next step for every kid who grew up on Brain Quest.

[Holt World History California](#) Peace Hill Press

A brother and sister's search for a new life and new home . . . 5,000 years ago in ancient Mesopotamia during a terrible drought, Jomar and Zefa's father must send his children away to the city of Ur because he can no longer feed them. At fourteen, Jomar is old enough to apprentice with Sidah, a master goldsmith for the temple of the moon god, but there is no place for Zefa in Sidah's household. Zefa, a talented but untrained musician, is forced to play her music and sing for alms on the streets of Ur. Marjorie Cowley vividly imagines the intrigues, and harsh struggle for survival in ancient Mesopotamia.

**The Ancient World. Interactive student notebook** Speedy Publishing LLC

The Book of the Ancient World is an account of our common heritage from the dawn of civilization to the coming of the Greeks. It is the story of how human beings began their great adventure of learning how to live; of how they have sought to satisfy the practical needs of their bodies, the questioning of their minds, and the searching of their spirits. To this end it subordinates details of political events to the record of things that lie at the foundation of our modern civilization. Dorothy Mills had an uncanny and unique ability to write history that is interesting and at the same time

based on sound scholarship. Her direct, engaging approach is valued increasingly by the many parents in our day who are looking for reliable materials for home study, as well as by many private school educators. The highly-prized six volumes of her historical works (see below) have become very scarce on the used book market, and so Dawn Chorus has undertaken to reprint them as part of its effort to offer texts ideally suited to the needs of a new generation of teachers and students. In a world where the quality of education has so deteriorated, may the reissue of this wonderful historical series shine as a beacon to a new generation of young (and not so young) scholars. Dawn Chorus publishes these five other books by Dorothy Mills: The Book of the Ancient Greeks; The Book of the Ancient Romans; The People of Ancient Israel; The Middle Ages; and Renaissance and Reformation Times. Dawn Chorus has also republished another outstanding, and long-out-of-print historical series perfectly suited for home or school use (and highly recommended in home-school curricula), entitled The Picturesque Tale of Progress, by Olive Beaupre Miller. It is available in large format (9 volumes), or smaller, double-bound format (5 volumes).
