Glencoe Algebra 2 is a key program in our vertically aligned high school mathematics series developed to help all students achieve a better understanding of mathematics and improve their mathematics scores on today's high-stakes assessments. Help all students become better problem solvers with our unique approach to interweaving skills,

concepts, and word problems in the Get Ready for the Chapter, in Study Guide and Review, and throughout the Exercises. Provide students with more personal assistance in understanding key examples with Personal Tutor a virtual teacher available in every lesson. Use Concepts in Motion animations and labs to visually and dynamically demonstrate mathematical content. References to the Concepts in Motion features in the Student Edition are readily accessible online at [glencoe.com](http://glencoe.com), on Interactive Classroom, and on StudentWorks Plus. Prepare students for standardized tests with questions that are

aligned in format, content, and design to those found on today's high-stakes assessments. Help students organize their notes and prepare for tests with Glencoe's exclusive Foldables™ study organizers. *Guide to Daily Intervention* Glencoe/McGraw-Hill School Pub High school algebra, grades 9-12. *Algebra 2 Graphing Calculator and Spreadsheet Masters* Glencoe/McGraw-Hill School Pub From the first day your students begin to learn the vocabulary of algebra until the day they take final exams and standardized tests, these programs

strengthen student understanding and provide the tools students need to succeed.
