## GOODMAN DALE

---

International Relations Theory SAGE  
Trouble's on the run in rural Eider, Iowa, and Deputy Cassy Rivers's heart is in the line of fire. Two years ago, she barely escaped a harrowing experience at the hands of a maniac—and not without scars. Now a series of random robberies leads to the brutal death of a fellow officer, and she must put her trust in the one man who broke her heart. FBI agent Boyce Hunt knows commitment isn't for men with

pasts like his. He left Cassy once to protect her from the blackmail and manipulation he faces from his mother's criminal enterprise. But when they reluctantly partner up to capture the modern Bonnie and Clyde terrorizing McIntire County, their attraction flames to life once more, pulling Boyce between two loyalties. Will they risk their hearts again, even if it means losing everything?  
Sensuality Level: Behind Closed Doors  
*Friendship, Love and Apple Tea* Milliken Publishing Company  
What's a girl to do when her first-ever summer romance turns out to be . . . a

little ghostly? For Heather Tildy, life doesn't get much better than watching cute boys ride skimboards during her family's summer vacation at the Georgia shore. Yes, she still has her problems: she's a hypersensitive "ghost handler," a soon-to-be ninth grader with a bullying older sister, and the number-one lovesick fan of gorgeous lifeguard Drew Blanton. But she's living in a ghost-free zone for the moment, and that's great. Until she wakes up with a handsome teen ghost in her bed. Jack thinks he's still alive, so he's convinced he's the one who's found her in his bed. He drowned while he and his

family were living at this very rented beach house, sleeping in the same room that Heather now occupies. So much for a fun time at the beach! Heather is now in charge of this cute, stubborn ghost-guy who doesn't believe that only Heather and her ghost-psychic Aunt Geneva can see and hear him. Just like the last time she got stuck with a wayward ghost, Heather has to dodge trouble and play detective. Jack needs proof that he's dead. How can she find the evidence he needs in order to move along with his life, er, death? And will she ever forget his oh-so-real kiss? Although Georgia author Maureen Hardegree concedes to having all the usual baggage of a middle child, she is NOT a ghost handler. She does, however, believe in connecting with her inner teenager and in feeding her active imagination—it likes Italian food and chocolate. Visit her at:

**True Confessions in the Key of Eros**

Severn House Publishers Ltd

Never-ending sugar cookies, hockey on the beach, Christmas décor galore—Who can be blue on Mistletoe Key? Kelly Griffin grew up on Mistletoe Key and is so over

it—the fake snow, the jangly jingle bells, the forced cheer. Ugh, so over it. All she wants for Christmas is to never have to think about Christmas again. But leaving the only home she's ever known and starting over where no one knows her name is an impossible wish. Enter the one man who knows all about what Kelly has lost—Hunter “Blue” Bowen. A hockey superstar trying to keep a low profile while recovering from his career-threatening injuries, Blue starts to fall in love with the kitschy charm of the island...and its grinchiest resident. Kelly's wish could come true...if Mr. Hockey God would just buy out her half of the property. But leaving the island also means leaving Blue alone under the mistletoe, and that's something she's not sure she can do. *Blue Christmas*, Book 2 of the Mistletoe Key Series, is a charming island holiday romance for fans of Jill Shalvis, Lucy Parker, and Lauren Layne.

*Joshua Road* Lorenz Educational Press

The telling of this story begins during the period of Dr. Israel Newman's grief inflicted by the traumatic death of his toddler son, Markus. As a necessity of heaven, he insists it must be a physical

place where he can hold his son again. One day, on his way to work as a pain management specialist caring for people dependent on opioids, he observes impossible changes of Mount Rainier, with disappearance and reappearance of Tahoma Peak. He thinks he might be losing his mind. In his psychology support group, a socially and professionally ostracized genius of physics, the amusing Michael Hannity, suggests that what really happened was Israel's mind moving between different timelines. As Michael explains spiritual travel in relativistic spacetime, Israel sees and hopes for a possibility to prevent the death of his son. He cannot control his travels and experiences horror, romance, humor, and intrigue in the lives of others. He falls in love. At the end of a series of hellish experiences, he encounters for the first time, Jesus as a lad of twelve, who admonishes him to make heaven in the lives of others. Jesus appears again and again, and in whose lives? We see a psychologically troubled, human Jesus and within him an omniscient presence. A tour-de-force of imagination, wildly inventive and funny as well as thought-provoking

and moving, this book will draw you into a world you never dreamed of. It answers many questions and asks some more. You will want to talk about it.

I'm Retired Now I Get Even Zondervan  
 Jeff's life has been spiraling out of control for some time now and to make matters worse, he suspects his wife Lisa of 16 years to be cheating on him. How does he come to grips with the betrayal. Lisa has gotten herself caught up in a love triangle that doesn't include her husband. She has been so focused on other things that it may have cost her the one thing she wants the most.....Control Belinda has finally found the man of her dreams but there are things in her past that could cause her to lose him. Does she keep her secret and hope they never surface or does she finally come clean. Like most people, Margret has made some wrong decisions in life but this time it may cost her in more ways than one. She only wants to finally find what she has been searching for.....Someone to truly love and that will love her same. They all have one thing in common that binds them together and that one thing is the choices they make. Right or wrong, they all have

made a choice that will ultimately change each one for the rest of their lives.

Danger, destiny, and romance on the river. A wilderness kayak adventure brings together two very different women—Chaz Herrick, a laid-back outdoorswoman, and Megan Maxwell, a workaholic news executive. As they battle the challenges of nature for survival, they discover that true love may be nothing at all like they imagined.

*Words and Sounds* University of Iowa Press  
A new book especially written for the time-starved 21st-century horse owner! Do you day after day make a promise to train yourself and your horse to be better at something, but when you get to the barn there just doesn't seem to be enough time? Don't worry, what really matters is the quality of the training you do manage to fit in. It really is possible to carry out good quality, progressive training with a horse in only three minutes a day. Educator and horse trainer Vanessa Bee's "light bulb moment" was when she realized that if a training session had a realistic goal, every horse achieved the goal in under three minutes. This led her to create techniques appropriate for use in brief digestible lessons that ultimately produce significant gains in short sessions.

This refreshing new method offers 35 ground exercises, 24 ridden exercises, and 25 "real world" exercises that will get you out and about with a safe, sane, well-trained horse.

Chamber Concise Dictionary Kat Cotton  
This book wrote itself, so to speak. For many years this author had maintained the attitude that the multifarious erotic experiences that are the subject of this book ought to remain in the minds of the participants, to be reawakened, revisited and enjoyed only by them. This instinctive assessment gradually morphed into a realization that there lies no shame in sharing one's sexual adventures with whoever cares to visit them and / or vicariously participate. The abiding caveat being, of course, to scrupulously maintain the privacy of the individuals who unwittingly share this largesse allowing for the enjoyment of countless third party participants. This book then is dedicated to those who venture to enjoy the erotic journeys of the senses. Are there those that do not ?

**Sam Gilliam** Harlequin  
Part of the bestselling *Surrounded by Idiots* series! #1 internationally bestselling

author Thomas Erikson shows readers how to identify and avoid the psychopaths around them. Charming, charismatic, and delightful or manipulative, self-serving, and cunning? Psychopaths are both and that's exactly what makes them dangerous. Bestselling author of the international phenomenon *Surrounded by Idiots*, Thomas Erikson reveals how to identify the psychopaths in your life and combat their efforts to control and manipulate. Using the same simple four-color system of behavior classification that made *Surrounded by Idiots* so popular, *Surrounded by Psychopaths* teaches readers how to deal with psychopaths in their lives by becoming aware of their own behavior and their weaknesses. Vivid example stories illustrate ways that psychopaths can take advantage of various behavior types, helping readers identify their own weaknesses and be proactive about protecting themselves. Erikson outlines some of the most common forms of manipulation used by psychopaths—and others—to influence those around them. Since manipulation can often be a feature of ordinary, non-psychopathic relationships, the book also

includes practical methods and techniques to help readers confront controlling people and rehabilitate negative relationships into mutually respectful ones. By understanding your behavior as well as the tendencies and strategies of psychopaths, *Surrounded by Psychopaths* will teach you to protect yourself from manipulative influence in your workplace, social life, and family.

**The Doctor's Engagement** Outskirts Press

A fan-favorite medical romance from USA Today bestselling author Sarah Morgan. Holly knew that she was possibly the only woman in Dr. Mark Logan's life who had never fallen head over heels in love with him! They had been best friends since childhood, so when he needed her to pretend to be his fiancée, she couldn't refuse... She hoped his gentle, protective strength would help her to get her life back on track again—but all it took was one single breath-taking kiss for Holly to discover that being Mark's fiancée was altogether a whole new experience...!

**A Retrospective** AuthorHouse

Desperate, fearless, and hunted For former Navy SEAL Dare O'Rourke, Section 8 was legendary. The son of one of its missing members, he grew up in the shadow of its secrets. All he knew was that it was a cabal of operatives discharged from branches of the military and reassigned to extremely dangerous, off-the-books international missions. And that their handler was as shrouded in mystery as the missions themselves. Nothing can stop them. Nothing can break them. Now the handler of Section 8 has given extreme orders to kill any remaining members, along with their families. Dare must save his long-lost half sister, Avery, whom he was never meant to meet. Determined to fight for their lives and find their missing father, Dare and Avery bring together those who are in danger because of their relationship to Section 8 for one last mission—to avenge their families and to survive.

**A Collection of Voices** Penguin

The central claim of this book is that, early and late, Wittgenstein modelled his approach to existential meaning on his account of linguistic meaning. A reading of Nietzsche's *The Birth of Tragedy* sets up Bearn's reading of the existential point of Wittgenstein's *Tractatus*. Bearn argues that both books try to resolve our anxiety about the meaning of life by appeal to the deep, unutterable essence of the world. Bearn argues that as Wittgenstein's and Nietzsche's thought matured, they both separately came to believe that the answer to our existential anxiety does not lie beneath the surfaces of our lives, but in our acceptance--Nietzsche's "Yes"--of the groundless details of those surfaces themselves: the wonder of the ordinary

**Blue Christmas** Lorenz Educational Press  
Joshua Road is the first young adult novel written by Diane Vetter Squires. Her story takes place in the mid-1980's and chronicles the coming-of-age path of Brianna Amatore, a teenaged girl with strong family ties, growing up in a Philadelphia suburb. A focal point of the story is her home, on Joshua Road, where many significant events originate as well

as culminate. This story is a call-back to the days when home was more than just a place for teenagers to eat and sleep; where families came together in times of happiness as well as grief; success as well as failure. It is a poignant story of love, loss and fate, and the exploration of the relationships the main character has with her family and friends, as well as herself.

*Even As You Are In Me* Alexandra Haughton

With chapters on all the major theories of international relations, accompanied by contemporary examples from popular culture, film and literature, this Third Edition is the ideal introduction to the key perspectives in the field.
