THE FULL STORY BEHIND THE BORGIAS, NOW A MAJOR TV DRAMA STARRING JEREMY IRONS 'Either Caesar or nothing' was the motto of Cesare Borgia, whose name has long been synonymous with evil. Almost five centuries have passed since his death, yet his reputation still casts a sinister shadow. He stands accused of treachery, cruelty, rape, incest and, especially, murder - assassination by poison, the deadly white powder concealed in the jewelled ring, or by the midnight band of bravos lurking in the alleys of Renaissance Rome. This classic book by acclaimed historian and biographer Sarah Bradford (author of *Lucrezia Borgia* and *Diana*), is the drama of a man of exceptional gifts and a driving lust for power. Cesare Borgia dared fortune for the highest goals and when fate turned against him he fell like Lucifer. Set against the brilliant backcloth of High Renaissance Italy, his life had the perfect proportions of a Greek tragedy.

Machiavelli Createspace Independent Publishing Platform

The first ever biography that tells the true story of what really went on in the lives of Cesare and Lucrezia Borgia. Myths and rumor have shrouded the Borgia family for centuries - tales of incest, intrigue and murder have been told of them since they themselves walked the hallways of the Apostolic Palace. In particular, vicious rumor and slanderous tales have stuck to the names of two members of the infamous Borgia family - Cesare and Lucrezia, brother and sister of history's most notorious family. But how much of it is true, and how much of it is simply rumor aimed to blacken the name of the Borgia family? In the first ever biography solely on the Borgia siblings, Samantha Morris tells the true story of these two fascinating individuals from their early lives, through their years living amongst the halls of the Vatican in Rome until their ultimate untimely deaths. Cesare and Lucrezia Borgia begins in the bustling metropolis of Rome with the siblings ultimately being used in the dynastic plans of their father, a man who would become Pope, and takes the reader through the separate, yet fascinatingly intertwined, lives of the notorious siblings. One tale, that of Cesare, ends on the battlefield of Navarre, whilst the other ends in the ducal court of Ferrara. Both Cesare and Lucrezia led lives full of intrigue and danger, lives which would attract the worst sort of rumor begun by their enemies. Drawing on both primary and secondary sources Morris brings the true story of the Borgia siblings, so often made out to be evil incarnate in other forms of media, to audiences both new to the history of the Italian Renaissance and old.

Poison In the Blood: The Memoirs of Lucrezia Borgia Vita Histria

Before the Tudors, there were the Borgias. More passionate. More dangerous. More deadly. From the author of *Poison*, called "stunning" and "a fascinating page-turner," comes a new historical thriller, featuring the same intriguing and beautiful heroine: Borgia court poisoner, Francesca Giordano. In the summer of 1493, Rodrigo Borgia, Alexander VI, has been pope for almost a year. Having played a crucial role in helping him ascend the chair of Saint Peter, Francesca, haunted by the shadows of her own past, is now charged with keeping him there. As court poisoner to the most notorious and dangerous family in Italy, this mistress of death faces a web of peril, intrigue, and deceit that threatens to extinguish the light of the Renaissance. As dangers close in from every direction, Francesca conceives a desperate plan that puts her own life at risk and hurls her into a nightmare confrontation with a madman intent on destroying all she is pledged to protect. From the hidden crypts of fifteenth-century Rome to its teeming streets alive with sensuality, obsession, and treachery, Francesca must battle the demons of her own dark nature to unravel a plot to destroy the Borgias, seize control of Christendom, and plunge the world into eternal darkness.

Large Print Bantam

Leonardo da Vinci, Niccolò Machiavelli, and Cesare Borgia—three iconic figures whose intersecting lives provide the basis for this astonishing work of narrative history. They could not have been more different, and they would meet only for a short time in 1502, but the events that transpired when they did would significantly alter each man's perceptions—and the course of Western history. In 1502, Italy was riven by conflict, with the city of Florence as the ultimate prize. Machiavelli, the consummate political manipulator, attempted to placate the savage Borgia by volunteering Leonardo to be Borgia's chief military engineer. That autumn, the three men embarked together on a brief, perilous, and fateful journey through the mountains, remote villages, and hill towns of the Italian Romagna—the details of which were revealed in Machiavelli's frequent dispatches and Leonardo's meticulous notebooks. Superbly written and thoroughly researched, *The Artist, the Philosopher, and the Warrior* is a work of narrative genius—whose subject is the nature of genius itself.

[His Life and Times](#) Simon and Schuster

The Life of Cesare Borgia is a biographical account of Italian politician and mercenary leader whose fight for power was a major inspiration for *The Prince* by Machiavelli. Cesare Borgia was an illegitimate son of Pope Alexander VI and member of the Spanish-Aragonese House of Borgia, which rose to prominence during the Italian Renaissance. After initially entering the church and becoming a cardinal on his father's election to the Papacy, he became, after the death of his brother in 1498, the first person to resign a cardinalate. He served as a condottiero for the King of France Louis XII around 1500 and occupied Milan and Naples during the Italian Wars. At the same time he carved out a state for himself in Central Italy, but after his father's death he was unable to retain power for long. The author's goal was to, through the thorough research, present a faithful biography of Cesare Borgia leaving aside the bad reputation he and his family had. He used numerous primary sources to scrape away centuries of innuendo, hypotheses and reiterated falsehoods that have varnished the Borgias. The author criticizes much of the previous historical work that shines a dark light on the life of the 16th century Borgias. He goes to great lengths to provide proof for his history and dispels the myths and bad name the Borgias have had at the hands of historians over the centuries.

[His Life and Times](#) Bantam

'A wonderfully assured and utterly riveting biography that captures not only the much-maligned Machiavelli, but also the spirit of his time and place. A monumental achievement.' - Jessie Childs, author of *God's Traitors*. 'A notorious fiend', 'generally odious', 'he seems hideous, and so he is.' Thanks to the invidious reputation of his most famous work, *The Prince*, Niccolò Machiavelli exerts a unique hold over the popular imagination. But was Machiavelli as sinister as he is often thought to be? Might he not have been an infinitely more sympathetic figure, prone to political missteps, professional failures and personal dramas? Alexander Lee reveals the man behind the myth, following him from cradle to grave, from his father's penury and the abuse he suffered at a teacher's hands, to his marriage and his many affairs (with both men and women), to his political triumphs and, ultimately, his fall from grace and exile. In doing so, Lee uncovers hitherto unobserved connections between Machiavelli's life and thought. He also reveals the world through which Machiavelli moved: from the great halls of Renaissance Florence to the court of the Borgia pope, Alexander VI, from the dungeons of the Stinche prison to the Rucellai gardens, where he would begin work on some of his last great works. As much a portrait of an age as of a uniquely engaging man, Lee's gripping and definitive biography takes the reader into Machiavelli's world - and his work - more completely than ever before.

The Life of Cesare Borgia of France Pen and Sword History NAMED ONE OF THE BEST BOOKS OF THE YEAR BY KIRKUS REVIEWS The New York Times bestselling author of the acclaimed Italian Renaissance novels—*The Birth of Venus*, *In the Company of the Courtesan*, and *Sacred Hearts*—has an exceptional talent for breathing life into history. Now Sarah Dunant turns her discerning eye to one of the world's most intriguing and infamous families—the Borgias—in an engrossing work of literary fiction. By the end of the fifteenth century, the beauty and creativity of Italy is matched by its brutality and corruption, nowhere more than in Rome and inside the Church. When Cardinal Rodrigo Borgia buys his way into the papacy as Alexander VI, he is defined not just by his wealth or his passionate love for his illegitimate children, but by his blood: He is a Spanish Pope in a city run by Italians. If the Borgias are to triumph, this charismatic, consummate politician with a huge appetite for life, women, and power must use papacy and family—in particular, his eldest son, Cesare, and his daughter Lucrezia—in order to succeed. Cesare, with a dazzlingly cold intelligence and an even colder soul, is his greatest—though increasingly unstable—weapon. Later immortalized in Machiavelli's *The Prince*, he provides the energy and the muscle. Lucrezia, beloved by both men, is the prime dynastic tool. Twelve years old when the novel opens, hers is a journey through three marriages, and from childish innocence to painful experience, from pawn to political player. Stripping away the myths around the Borgias, *Blood & Beauty* is a majestic novel that breathes life into this astonishing family and celebrates the raw power of history itself: compelling, complex and relentless. Praise for *Blood and Beauty* "Dunant transforms the blackhearted Borgias and the conniving courtiers and cardinals of Renaissance Europe into fully rounded characters, brimming with life and lust."—The New York Times Book Review "Like Hilary Mantel with her *Cromwell* trilogy, [Sarah] Dunant has scaled new heights by refashioning mythic figures according to contemporary literary taste. This intellectually satisfying historical saga, which offers blood and beauty certainly, but brains too, is surely the best thing she has done to date."—The Miami Herald "Compelling female players have been a characteristic of Dunant's earlier novels, and this new offering is no exception. . . . The members of this close-knit family emerge as dynamic characters, flawed but sympathetic,

filled with fear and longing."—The Seattle Times "The Machiavellian atmosphere—hedonism, lust, political intrigue—is magnetic. . . . Readers won't want the era of Borgia rule to end."—People (four stars)

The Hidden History Independently Published

Cesare Borgia in a Nutshell outlines the life of one of history's most controversial figures from his birth through to his murder in 1507 at the age of just 31. This book aims to expose the truth behind the age-old rumours of this ancient family and to shed light onto a fascinating period of history. Samantha Morris studied archaeology at the University of Winchester where her interest in the history of the Italian Renaissance began. Her interest in the Borgia family has grown and she is always looking for new information on the subject.

The Borgia Betrayal McClelland & Stewart

Before the Corleones, before the Lannisters, there were the Borgias. One of history's notorious families comes to life in a captivating novel from the author of *The Birth of Venus*. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY COSMOPOLITAN (UK) AND THE TIMES (UK) "In the end, what's a historical novelist's obligation to the dead? Accuracy? Empathy? Justice? Or is it only to make them live again? Dunant pays these debts with a passion that makes me want to go straight out and read all her other books."—Diana Gabaldon, *The Washington Post* Bestselling novelist Sarah Dunant has long been drawn to the high drama of Renaissance Italy: power, passion, beauty, brutality, and the ties of blood. With *In the Name of the Family*, she offers a thrilling exploration of the House of Borgia's final years, in the company of a young diplomat named Niccolò Machiavelli. It is 1502 and Rodrigo Borgia, a self-confessed womanizer and master of political corruption, is now on the papal throne as Alexander VI. His daughter Lucrezia, aged twenty-two—already three times married and a pawn in her father's plans—is discovering her own power. And then there is his son Cesare Borgia, brilliant, ruthless, and increasingly unstable; it is his relationship with Machiavelli that gives the Florentine diplomat a master class in the dark arts of power and politics. What Machiavelli learns will go on to inform his great work of modern politics, *The Prince*. But while the pope rails against old age and his son's increasingly erratic behavior, it is Lucrezia who must navigate the treacherous court of Urbino, her new home, and another challenging marriage to create her own place in history. Sarah Dunant again employs her remarkable gifts as a storyteller to bring to life the passionate men and women of the Borgia family, as well as the ever-compelling figure of Machiavelli, through whom the reader will experience one of the most fascinating—and doomed—dynasties of all time. "Enthralling . . . combines flawless historical scholarship with beguiling storytelling."—The Guardian "Renaissance-rich details fill out the humanity of the Borgias, rendering them into the kind of relatable figures whom we would hope to discover behind the cold brilliance of *The Prince*."—NPR "[Dunant] has an enviable command of this complex political scene, with its shifting alliances and subtle betrayals. . . . [She] has a special gift for attending to her female characters."—The New York Times

Daughter of Pope Alexander VI HMH

Lucrezia Borgia - an infamous murderess or simply the victim of bad press? Lucrezia Borgia's name has echoed through history as a byword for evil - a poisoner who committed incest with her natural father, Pope Alexander VI, and with her brother, Cesare Borgia. Long considered the most ruthless of Italian Renaissance noblewomen, her tarnished reputation has prevailed long since her own lifetime. In this definitive biography, a work of huge scholarship and erudition, Sarah Bradford gives a fascinating account of Lucrezia's life in all its colourful controversy. Daughter, sister, wife and mother, Lucrezia Borgia was surrounded by wealth, privilege and intrigue. But what was the truth behind her extraordinary existence - was she a monster of cruelty and deceit, or simply the pawn of her power-hungry father and brother?

The Life of Cesare Borgia Lulu.com

The startling truth behind one of the most notorious dynasties in history is revealed in a remarkable new account by the acclaimed author of *The Tudors* and *A World Undone*. Sweeping aside the gossip, slander, and distortion that have shrouded the Borgias for centuries, G. J. Meyer offers an unprecedented portrait of the infamous Renaissance family and their storied milieu. They burst out of obscurity in Spain not only to capture the great prize of the papacy, but to do so twice. Throughout a tumultuous half-century—as popes, statesmen, warriors, lovers, and breathtakingly ambitious political adventurers—they held center stage in the glorious and blood-drenched pageant known to us as the Italian Renaissance, standing at the epicenter of the power games in which Europe's kings and Italy's warlords gambled for life-and-death stakes. Five centuries after their fall—a fall even more sudden than their rise to the heights of power—they remain immutable symbols of the depths to which humanity can descend: Rodrigo Borgia, who bought the papal crown and prostituted the Roman Church; Cesare Borgia, who became first a teenage cardinal and then the most treacherous cutthroat of a violent time; Lucrezia Borgia, who was as shockingly immoral as she was beautiful. These have long been stock figures in the dark chronicle of European villainy, their name synonymous with unspeakable evil. But did these Borgias of legend actually exist?

Grounding his narrative in exhaustive research and drawing from rarely examined key sources, Meyer brings fascinating new insight to the real people within the age-encrusted myth. Equally illuminating is the light he shines on the brilliant circles in which the Borgias moved and the thrilling era they helped to shape, a time of wars and political convulsions that reverberate to the present day, when Western civilization simultaneously wallowed in appalling brutality and soared to extraordinary heights. Stunning in scope, rich in telling detail, G. J. Meyer's *The Borgias* is an indelible work sure to become the new standard on a family and a world that continue to enthrall. Praise for *The Borgias* "A vivid and at times startling reappraisal of one of the most notorious dynasties in history . . . If you thought you knew the Borgias, this book will surprise you."—Tracy Borman, author of *Queen of the Conqueror* and *Elizabeth's Women* "The mention of the Borgia family often conjures up images of a ruthless drive for power via assassination, serpentine plots, and sexual debauchery. . . . [G. J. Meyer] convincingly looks past the mythology to present a more nuanced portrait."—Booklist "Meyer brings his considerable skills to another infamous Renaissance family, the Borgias [and] a fresh look into the machinations of power in Renaissance Italy. . . . [He] makes a convincing case that the Borgias have been given a raw deal."—Historical Novels Review "Fascinating . . . a gripping history of a tempestuous time and an infamous family."—Shelf Awareness

The Life and Times of Lucrezia Borgia Pan Macmillan

Cesare Borgia Penguin UK

His Life and Times Penguin UK

For fans of Philippa Gregory and Alison Weir, bestselling author C. W. Gortner effortlessly weaves history and drama in this captivating novel about one of the world's most notorious families. Glamorous and predatory, the Borgias fascinated and terrorized fifteenth-century Renaissance Italy, and Lucrezia Borgia, beloved daughter of the pope, was at the center of the dynasty's ambitions. Slandered as a heartless seductress who lured men to their doom, was she in fact the villainess of legend, or was she trapped in a familial web, forced to choose between loyalty and survival? With the ascension of the Spaniard Rodrigo Borgia as Pope Alexander VI, a new era has dawned in Rome. Benefitting from their father's elevation are the new pope's illegitimate children—his rival sons, Cesare and Juan, and beautiful young daughter Lucrezia—each of whom assumes an exalted position in the papal court. Privileged and adored, Lucrezia yearns to escape her childhood and play a part in her family's fortunes. But Rome is seductive and dangerous: Alliances shift at a moment's notice as Italy's ruling dynasties strive to keep rivals at bay. As Lucrezia's father faces challenges from all sides, the threat of a French invasion forces him to marry her off to a powerful adversary. But when she discovers the brutal truth behind her alliance, Lucrezia is plunged into a perilous gambit that will require all her wits, cunning, and guile. Escaping her marriage offers the chance of happiness with a passionate prince of Naples, yet as scandalous accusations of murder and incest build against her, menacing those she loves, Lucrezia must risk everything to overcome the lethal fate imposed upon her by her Borgia blood. Beautifully wrought, rich with fascinating historical detail, *The Vatican Princess* is the first novel to describe Lucrezia's coming-of-age in her own voice. What results is a dramatic, vivid tale set in an era of savagery and unparalleled splendor, where enemies and allies can be one and the same, and where loyalty to family can ultimately be a curse. Praise for *The Vatican Princess* "In a literary exploration riven with Shakespearean quantities of murder, lies, deceptions, and treachery, Gortner's narrative gains veracity with his atmospheric exploration of fashion, architecture, and art on the stage of 'loud, filthy, and dangerous' Rome. Gortner has imagined Lucrezia Borgia's life from a feminist perspective."—Kirkus Reviews "[Gortner] has invested his novel with impressive historical detail that is woven neatly into the threads of the story, and his afterword and references offer excellent insight."—Historical Novels Review "Assiduously researched and expertly crafted, this novel takes readers inside the treacherous world of the Borgias—one of history's most dysfunctional ruling families—and brings to life the sympathetic and freshly imagined character of their leading lady, Lucrezia. This unholy plunge into Rome's darkest dynasty is wholly engrossing."—Allison Pataki, New York Times bestselling author of *Sisi: Empress on Her Own* "The world of Renaissance Italy is vividly brought to life—I'm captivated by this knowledgeable author's take on the controversial Borgias."—Alison Weir, New York Times bestselling author of *Katherine of Aragon*, *The True Queen* "Impressive research, a lush background, and deft characterization of these turbulent times make for a fascinating read."—Margaret George, New York Times bestselling author of *Elizabeth I*

A Study of the Life and Times of Charlotte D'Albret, Duchesse de Valentinois, Wife of Cesare Borgia Createspace Independent Publishing Platform

This colorful history of a powerful family brings the world they lived in—the glittering Rome of the Italian Renaissance—to life. The name Borgia is synonymous with the corruption, nepotism, and greed that were rife in Renaissance Italy. The powerful, voracious Rodrigo Borgia, better known to history as Pope

Alexander VI, was the central figure of the dynasty. Two of his seven papal offspring also rose to power and fame—Lucrezia Borgia, his daughter, whose husband was famously murdered by her brother, and that brother, Cesare, who inspired Niccolò Machiavelli's *The Prince*. Notorious for seizing power, wealth, land, and titles through bribery, marriage, and murder, the dynasty's dramatic rise from its Spanish roots to its occupation of the highest position in Renaissance society forms a gripping tale. From the author of *The Rise and Fall of the House of Medici* and other acclaimed works, *The Borgias and Their Enemies* is "a fascinating read" (*Library Journal*).

[The Life of Cesare Borgia](#) St. Martin's Griffin

A voice from the 15th century calls to Anya Peterson, and she becomes obsessed by a man in a dream. Cesare Borgia invades

her life, destroying her relationship with Antonio, the man she loves.

Random House

Maria Bellonci depicts Lucrezia as a passionate, womanly figure moving uncertainly through the Papal court and through the intrigues, ambitions and political chicanery that swirled about her. Married three times for her family's political advantage Lucrezia also entertained, for her own pleasure, a long list of eminent lovers, particularly the poet Pietro Bembo. Her father, Pope Alexander VI, emerges as a fiercely devoted parent while the catlike and sinister Cesare Borgia is seen as a relentless and unscrupulous power-seeker.
