Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music, video, gaming, media, digital and mobile entertainment issues and trends.

**The National Weekly** Penguin

This book started out as a collection of e-mails I sent to my family and friends from time to time. They were all signed, "Love, Grits," the name given to me by my grandchildren, short for

"Granny Grits." I felt it appropriate to keep them as true to the originals as I could. When I compiled the devotions into this book, and was thinking of a title, I realized that Grits spelled out God Reigns in the South and knew that had to be the title. I am sure that was a little divine intervention. I also had taken many photographs (a love of mine) that amazingly coincided with the themes of many of the stories, so I decided to include them also. I never imagined that the pictures and stories would come together to tell a story but God had a plan all along and therefore the creation of "Grits, God Reigns in the South." This book of devotions developed because of the love and encouragement of my friends and family. I thank them all for the love and happiness they give to me each day and especially my husband for his patience, his support for this project, and his understanding as I spent many hours at the computer. I also can not possibly thank my special friends Beth Renken and John Hope who proof read and corrected my many mistakes. The original goal of this project was to try and strengthen the faith of my family and friends, but in the end, it was actually my own faith that was renewed and strengthened. I pray that as you read this book, your faith will be strengthened, you will find comfort in times of need, and that you will find joy in the world all around you. Read and Enjoy. Love, Grits

Me \* Your Great Name \* Your Love Never Fails.

**Volume three** Hal Leonard Corporation

A panoramic collection of essays written by both established and emerging scholars, *American Discord* examines critical aspects of the Civil War era, including rhetoric and nationalism, politics and violence, gender, race, and religion. Beginning with an overview of the political culture of the 1860s, the collection reveals that most Americans entered the decade opposed to political compromise. Essays from Megan L. Bever, Glenn David Brasher, Lawrence A. Kreiser Jr., and Christian McWhirter discuss the rancorous political climate of the day and the sense of racial superiority woven into the political fabric of the era. Shifting focus to the actual war, Rachel K. Deale, Lindsay Rae Privette, Adam H. Petty, and A. Wilson Greene contribute essays on internal conflict, lack of compromise, and commitment to white supremacy. Here, contributors adopt a broad understanding of "battle," considering environmental effects and the impact of the war after the battles were over. Essays by Laura Mammina and Charity Rakestraw and Kristopher A. Teters reveal that while the war blurred the boundaries, it ultimately prompted Americans to grasp for the familiar established hierarchies of gender and race. Examinations of chaos and internal division suggest that the political culture of Reconstruction was every bit as contentious as the war itself. Former Confederates decried the barbarity of their Yankee conquerors, while Republicans portrayed Democrats as backward rubes in need of civilizing. Essays by Kevin L. Hughes, Daniel J. Burge, T. Robert Hart, John F. Marszalek, and T. Michael Parrish highlight Americans' continued reliance on hyperbolic rhetoric. *American Discord* embraces a multifaceted view of the Civil War and its aftermath, attempting to capture the complicated human experiences of the men and women caught in the conflict. These essays acknowledge that ordinary people and their experiences matter, and the dynamics among family members, friends, and enemies have far-reaching consequences.

*Kirk Franklin Presents Songs for the Storm* Hal Leonard Corporation

**Psalter Hymnal** Shadow Mountain

Leo Danger has never conformed to the norm and never plans to start. Velocity's drummer feels the pressure to settle down. But first, Leo needs to deal with a painful past and his undisclosed bisexuality. His vulnerability and mixed emotions are hidden behind a crude exterior. He's allowed a rare few to see his true self. Then along comes Gabriela St Clair, who brings balance to Leo's world. Meanwhile, Victor Valentino hides his escalating feelings to protect Leo. His rock star lover treats him well, but no one outside their intimate circle knows the true nature of their fiery relationship. Now, Victor needs more. However, he refuses to risk ruining Leo's career. When he meets Gabriela, he fears the worst. Leo says he's only having fun, but does Victor want to share his man and give up the chance of love? Can Leo let go of the past for a happy future? Will Leo let himself fall for one of his lovers? Or will he accept that monogamy isn't for everyone?

*American Pop* Hal Leonard Corporation

A collection of cross-denominational hymns spanning several centuries, emphasizing original texts and verses.

Musical Record and Review Kingsway Communications

A classic hymn coupled with a classic worship song, beginning stately and moving to energetic praise.
