Little, Brown

It was the stuff dreams
were made of. It became
the ultimate nightmare.
Being the first winner of
the X Factor in 2004,
Steve Brookstein should
have had it all. Instead, he
tells a story of a man sold
down the river by his own
record label as they
championed the runner-
up, G4, and forced him
into an album of cover
songs. This is the story of
what really happened,
from vicious personal
attacks by Sharon
Osborne and Louis Walsh
to threats from Max
Clifford about going

public. A decade on, and
Max Clifford is inside and
severely discredited. So,
too was Andy Coulson, an
editor who ran many of
the untrue stories about
Steve. He has been
dubbed a pub singer, a
fake, a flop and bitter as
the narrative that begun
on the show became
adopted by journalists
who thought he was fair
game, frequently
reviewing gigs that they
hadn't been to or
inventing quotes he
hadn't said, and always
regulated by a toothless
Press Complaints
Commission. Ten years
on, Steve is now able to
lift the lid on the show
itself and analyse for the
first time exactly what
Max Clifford said when he
rang to say, 'Talk to the
press and we'll bury you.'

are drawn into a deadly

fallen machine. Russia
and China covet the
radical technology, but
the United States worries
about a darker problem.
They know what others
don't--that the X-37 is
carrying a dangerous
secret, a payload of exotic
matter, extracted from
the upper reaches of the
atmosphere and stored at
a temperature near
absolute zero. As long as
it remains frozen, the
cargo is inert, but if it
thaws, it will unleash a
catastrophe of nearly
unthinkable proportions.
From the Galapagos

identical twin sisters who
couldn't look more alike . .
. . or live more differently.
Nantucket is only eleven
miles away from Martha's
Vineyard. But they may as
well be worlds apart for
estranged twin sisters

Harper and Tabitha Frost. After not speaking for more than a decade, Harper and Tabitha switch islands-and lives-to save what's left of their splintered family. But the twins quickly discover that the secrets, lies, and gossip they thought they'd outrun can travel between islands just as easily as they can. Will Harper and Tabitha be able to bury the hatchet and end their sibling rivalry once and for all? Before the last beach picnic of the season, there will be enough old resentments, new loves, and cases of mistaken identity to make this the most talked-about summer that Martha's Vineyard and Nantucket have experienced in ages.

Love, Amalia Shambhala Publications
In this explosive thriller from #1 New York Times-bestselling author Stuart Woods, Stone Barrington's newest foe has a short fuse...and it's just been lit. Stone Barrington is enjoying a

boating excursion off the Maine coast when a chance encounter leaves him somewhat the worse for wear. Always able to find the silver lining in even the unhappiest circumstances, Stone is pleased to discover that the authors of his misfortune are, in fact, members of a prestigious family who present a unique business opportunity, and who require a man of Stone's skills to overcome a sticky situation of their own. The acquaintance is fortuitous indeed, for as it turns out, Stone and his new friends have an enemy in common. He's the sort of man who prefers force to finesse, and who regards any professional defeat as a personal and intolerable insult. And when Stone's sly cunning collides with his adversary's hair-trigger-temper, the results are sure to be explosive...

Getting Over the X
Penguin
25th Anniversary Edition
"A magnificent treasure for all cultures and all time." --St. Petersburg Times
It is November 25, 1960, and three beautiful sisters have been found near their wrecked Jeep at the bottom of a 150-foot cliff on the north coast of the Dominican Republic. The official state

newspaper reports their deaths as accidental. It does not mention that a fourth sister lives. Nor does it explain that the sisters were among the leading opponents of Gen. Rafael Leónidas Trujillo's dictatorship. It doesn't have to. Everybody knows of Las Mariposas--the Butterflies. In this extraordinary novel, the voices of all four sisters--Minerva, Patria, María Teresa, and the survivor, Dedé--speak across the decades to tell their own stories, from secret crushes to gunrunning, and to describe the everyday horrors of life under Trujillo's rule. Through the art and magic of Julia Alvarez's imagination, the martyred Butterflies live again in this novel of courage and love, and the human costs of political oppression. Julia Alvarez's new novel, *Afterlife*, is available now.

As one who has written extensively about the interior life, meditation, and psychotherapy, Ken Wilber—the leading theorist in the field of integral psychology—naturally arouses the curiosity of his numerous readers. In response to this curiosity, this one-year diary not only offers an unprecedented entrée into his private world, but offers an introduction to his essential thought. "If there is a theme to this journal," Wilber writes, "it is that body, mind, and the luminosities of the soul—all are perfect expressions of the Radiant Spirit that alone inhabits the universe, sublime gestures of that Great Perfection that alone outshines the world." Wilber's personal

writings include: • Details of his own spiritual practice • Advice to spiritual seekers • Reflections on his work and that of other prominent theorists in the field of integral psychology • His day-to-day personal experiences • Dozens of his short theoretical essays on topics from art to feminism to spirituality to psychotherapy

And the Tyranny of Progressivism

Henry Holt and Company
Aimed at children between the ages of eight and twelve, "Seeing Things" is a wonderful introduction to photography that asks how photographers transform ordinary things into meaningful moments. In this book, acclaimed and beloved photographer Joel Meyerowitz takes readers on a journey through the power and magic of photography: its abilities to freeze time, tell a story, combine several layers into one frame and record life's fleeting and beautiful moments. The book features the work of masters such as William Eggleston, Mary Ellen Mark, Helen Levitt and Walker Evans, among many others. Each picture is accompanied by a short

commentary, encouraging readers to look closely and use their imagination to understand key ideas in photography such as light, gesture, composition—and, ultimately, how there is wonder all around us when viewed through the lens. Joel Meyerowitz (born 1938) is an award-winning photographer whose work has appeared in over 350 exhibitions in museums and galleries around the world. He is a two-time Guggenheim Fellow, a recipient of both National Endowment for the Arts and National Endowment for the Humanities awards and a recipient of the Deutscher Fotobuchpreis. In this timely tale of immigration, two cousins learn the importance of family and friendship. A year of discoveries culminates in a performance full of surprises, as two girls find their own way to belong. Mexico may be her parents' home, but it's certainly not Margie's. She has finally convinced the other kids at school she is one-hundred percent American—just

like them. But when her Mexican cousin Lupe visits, the image she's created for herself crumbles. Things aren't easy for Lupe, either. Mexico hadn't felt like home since her father went North to find work. Lupe's hope of seeing him in the United States comforts her some, but learning a new language in a new school is tough. Lupe, as much as Margie, is in need of a friend. Little by little, the girls' individual steps find the rhythm of one shared dance, and they learn what "home" really means. In the tradition of My Name is Maria Isabel—and simultaneously published in English and in Spanish—Alma Flor Ada and her son Gabriel M. Zubizarreta offer an honest story of family, friendship, and the classic immigrant experience: becoming part of something new, while straying true to who you are.

Wired Center Street Includes photos of country music star Sara Evans and her children, along with personal notes and the lyrics of her hit song, You'll Always Be My Baby. The accompanying CD contains the song.

Immortal Unchained

Hodder Education Old School is in session.... You have probably heard the term Old School, but what you might not know is that there is a concentrated effort to tear that school down. It's a values thing. The anti-Old School forces believe the traditional way of looking at life is oppressive. Not inclusive. The Old School way may harbor microaggressions. Therefore, Old School philosophy must be diminished. Those crusading against Old School now have a name: Snowflakes. You may have seen them on cable TV whining about social injustice and income inequality. You may have heard them cheering Bernie Sanders as he suggested the government pay for almost everything. The Snowflake movement is proud and loud, and they don't like Old School grads. So where are you in all this? Did you get up this morning knowing there are mountains to climb—and deciding how you are going to climb them? Do you show up on time? Do you still bend over to pick up a penny? If so, you're Old School. Or did you wake up whining about safe spaces and trigger warnings? Do you

feel marginalized by your college's mascot? Do you look for something to get outraged about, every single day, so you can fire off a tweet defending your exquisitely precious sensibilities? Then you're a Snowflake. So again, are you drifting frozen precipitation? Or do you matriculate at the Old School fountain of wisdom? This book will explain the looming confrontation so even the ladies on The View can understand it. Time to take a stand. Old School or Snowflake. Which will it be?

Nighthawk Latin Pop Hits25 Sizzling Singles One Perfect Lie is an

emotional thriller and a suburban crime story that will keep you guessing until you turn the very last page. On the surface, it tells the tale of the struggling single mother of a high-school pitcher, a shy kid so athletically talented that he's being recruited for a full-ride scholarship to a Division I college, with a future in major-league baseball. But the mother fears that she's losing her grip on her son because he's being lured down a darker path by one of his teammates, a secretly disturbed young man from an affluent family, whose excellent grades and fun-loving manner conceal his violent criminal plans. Add a handsome stranger who comes to town and infiltrates the high school, posing as a teacher but with a hidden agenda all his own. The mix becomes combustible when a beloved faculty member turns up dead as a suicide, in circumstances equally consistent with murder. Only then is the true identity of the fake teacher revealed, and the single mother finds herself engaged in a battle for the future, the soul, and the very life of her only son. *One Perfect Lie* is a riveting and

suspenseful family drama, and by the time you close the book, you will realize that nothing was as it seemed at the beginning. *Dancing Home* Hal Leonard Corporation Amalia deals with loss while learning about love and her cultural heritage in this tender tale from acclaimed authors Alma Flor Ada and Gabriel M. Zubizarreta. Amalia's best friend Martha is moving away, and Amalia is feeling sad and angry. And yet, even when life seems unfair, the loving, wise words of Amalia's abuelita have a way of making everything a little bit brighter. Amalia finds great comfort in times shared with her grandmother: cooking, listening to stories and music, learning, and looking through her treasured box of family cards. But when another loss racks Amalia's life, nothing makes sense anymore. In her sorrow, will Amalia realize just how special she is, even when the ones she loves are no longer near? From leading voices in Hispanic literature, this thoughtful and touching depiction of one girl's transition through loss and love is available in both English and Spanish. *Latin Pop Hits* Algonquin
