## MIDDLETON HERMAN

**Be Less Zombie** Little, Brown Books for Young Readers  
 Follow the adventures of Bern the Zombie, the leader of the greatest zombie army in Minecraftian history, in this humorous, illustrated chapter book diary. It has taken years of determination, but finally the Bern the Zombie has assembled the largest army of zombies that Minecraftia has ever seen. What exactly does Bern plan to do with his army? Take over the Overworld, of course! But Bern is the first to admit that most zombies aren't terribly bright. For instance, they have trouble with basic things, like knowing their left from their right. Read every hilarious misstep of Bern's quest in *Adventures of a Zombie*, an unofficial Minecraft chapter book diary with black-and-white illustrations.

**Zombies!** Grand Central Publishing

All aspects of the zombie lifestyle are surveyed in this satirical take on an orientation manual for the newly undead. From how one became a zombie in the first place and the stages of zombification to survival mechanisms, this handbook offers specific advice on everything a fresh zombie needs to know about "life" expectancy, hunting techniques, hitching a ride, hand-to-mouth combat, and feeding etiquette. Instructions for extracting the living from boarded up farmhouses and broken down vehicles are included along with dozens of helpful diagrams outlining attack strategies such as the Ghoul Reach, the Flanking Zak, the Bite Hold, and the Aerial Fall for securing human prey and their all-important flesh and brains.

*Pride and Prejudice and Zombies: Dawn of the Dreadfuls* Quirk Books

The deluxe heirloom edition of the "New York Times" bestseller boasts additional scenes of zombie mayhem, 13 new full-color illustrations, and an essay Afterword by Dr. Allen Grove, Professor of English Literature.

*Diary of a Minecraft Zombie #21* Gatekeeper Press

A guide to all things zombie by the founder and head of the Zombie Research Society

*The Fantasies of Robert A. Heinlein* ABDO

Presents a collection of more than forty poems about school.

**The Man Who Folded Himself** Penguin

Zombies have plagued humanity's nightmares for centuries, but fortunately, the scientific community has created this detailed and completely serious guide to the undead. Only *Zombies of the World* tackles this issue and many more, so you might want to read up before a zombie tackles you! Zombies menace humanity, yet we barely understand them. There are books that show you

how to kill the undead, but this is the first field guide to explain the importance of zombies to us. *Zombies of the World* reveals the undead to be a valuable part of our ecosystem and the key to new discoveries in medicine and technology. *Zombies of the World* uses captivating illustrations to document how evolution has led to a wide variety of species. Few outside the scientific community even realize that creatures like the Egyptian Mummy (Mortifera mumia aegyptus) are actually zombies. Some species are even harmless to humans. The *Dancing Zombie* (Mortifera immortalis choreographicus) only seeks to thrill humans with elaborate dance routines. Discover how our history has been affected by the undead and what we can learn from "scientific" research. The answer might surprise you!

**Zombies vs. Unicorns** Macmillan

In Mary's world there are simple truths. The Sisterhood always knows best. The Guardians will protect and serve. The Unconsecrated will never relent. And you must always mind the fence that surrounds the village; the fence that protects the village from the Forest of Hands and Teeth. But, slowly, Mary's truths are failing her. She's learning things she never wanted to know about the Sisterhood and its secrets, and the Guardians and their power. And, when the fence is breached and her world is thrown into chaos, about the Unconsecrated and their relentlessness. Now, she must choose between her village and her future, between the one she loves and the one who loves her. And she must face the truth about the Forest of Hands and Teeth. Could there be life outside a world surrounded in so much death? [STAR] "A bleak but gripping story...Poignant and powerful."-Publishers Weekly, Starred "A postapocalyptic romance of the first order, elegantly written from title to last line."-Scott Westerfeld, author of the *Uglies* series and *Leviathan* "Intelligent, dark, and bewitching, *The Forest of Hands and Teeth* transitions effortlessly between horror and beauty. Mary's world is one that readers will not soon forget."-Cassandra Clare, bestselling author of *City of Bones* "Opening *The Forest of Hands and Teeth* is like cracking Pandora's box: a blur of darkness and a precious bit of hope pour out. This is a beautifully crafted, page-turning, powerful novel. I thoroughly enjoyed it."-Melissa Marr, bestselling author of *Wicked Lovely* and *Ink Exchange* "Dark and sexy and scary. Only one of the Unconsecrated could put this book down."-Justine Larbalestier, author of *How to Ditch Your Fairy* *Scooby-Doo! and the Rock 'n' Roll Zombie* Createspace Independent Publishing Platform  
 Robert A. Heinlein, the dean of American SF writers, also wrote fantasy fiction throughout his long career, but especially in the early 1940s. The Golden Age of SF was also a time of revolution in fantasy fiction, and Heinlein was at the forefront. His fantasies were convincingly set in the real world, particularly those

published in the famous magazine *Unknown Worlds*, including such stories as "Magic, Inc.," "They--," and "The Unpleasant Profession of Jonathan Hoag." Now all of Heinlein's best fantasy short stories, most of them long novellas, have been collected in one big volume for the first time.

**Chains of the Sea** Children's Book Press (CA)

Unexplainablenews.com is reporting strange phenomena in cemeteries in Scotland, Germany, Italy, and America. Only one individual knows what's happening--and why! This person also knows the one girl who can prevent an unspeakable and imminent catastrophe from taking place. But will she? When Caitlin Fletcher's mom disappeared (or left?) four years ago, Caitlin began suffering from breathless bouts of anxiety. Her new move to London, with her Dad and brainiac sister, threatens to lead to more situations that will trigger panic. Now, he's having anxiety over the possibility of having anxiety! Caitlin's life takes a turn for the bizarre when she's tricked into climbing down a "rabbit hole", landing in a wondrous fairy tale universe--except it's crawling with savage, starving blood-eyed zombies. But what's scarier--a blood thirsty zombie, a panic attack...or the painful truth?!

**Zombies, Run!** John Wiley & Sons

A zombie-tastic take on a favorite fairy tale! "A horror spoof with a big heart: Lorenzo's acrylic and colored pencil cartooning offers a warm glow, and readers will cheer for this undead family that finally feels complete." —Publishers Weekly *Forget Goldilocks* and the three bears—*MOLDILOCKS* and the *THREE SCARES* are here, in a delightful new version of the popular story. Papa Scare (a monster), Mama Scare (a mummy), and Baby Scare (a vampire) live in a haunted house where they eat finger sandwiches and alpha-bat soup. One night, they go out to walk their dog (a bloodhound, of course) to let their soup cool down. While they're away, in walks the zombie Moldilocks, looking for food, a chair, and a bed that's just right. Kids will love this hauntingly funny story with its surprise ending!

**Can You Survive the Zombie Apocalypse?** Koala Books

Meet the next big thing in the world of official Minecraft novels: zombies! Looking after a little sibling can be a real headache . . . especially when they're trying to eat your brains! Life is good for Bobbie in the sleepy village of Plaintown. Sure, her villager parents only ever say "Hrm," but you pick up the local language quickly. And maybe her little brother, Johnny, is always getting into trouble, but the village's iron golem is there to look out for him. And, yeah, things are too busy for exploring when you're the only one in town who ever takes their hands out of their sleeves. But maybe that's for the best. After all, there are things out there beyond the torchlight that are better handled by adventurers. But one night, a stranger comes to Plaintown—and he's followed by a

horde of ravenous zombies. Bobbie's village is overrun, and her world is turned upside down. Life is not so good for Ben, an adventurer with nothing left to his name but the armor on his back. When dawn's light shows him an abandoned village, he sees it as a chance to pick through the wreckage and get himself back on track. What he wasn't expecting to run into was a desperate girl with a baby zombie villager on a leash. Bobbie and Johnny are the only ones left . . . and her brother's a lot greener and a lot bitier than he was last night. There's still some of Johnny rattling around the little monster's mind; Bobbie just knows it. And Ben might know a way to bring him back. As the two journey across the Overworld, dragging Johnny along (literally), they brave dangerous depths, terrifying mobs, and an expanding mystery. Was the attack on Bobbie's village really just bad luck? Where did the rest of the zombie villagers go? And how exactly do you take care of a little brother who can't stop trying to eat you? **Traumatic Zombies** Simon and Schuster

A story with no names but pain, desperation and hurt, all going in circles. A family to whom pain was no foreigner. A journey of love but self-hate. A journey of how trauma shaped a zombie. A journey of a family where two were saved yet last one survived, till... This book deals with societal norms conquering self-love and portrays the survival of people who were drowning because of hate. It's an attempt to make people aware of how bullying and the idea of fitting in can be toxic. A story with no plot twists but emotions turned demons. Loss of identity and struggle to fit in, I offer you a story that makes you want to continue with life which might have many pauses but not an untimely end. A story with no period because haven't we all continued with our lives at some point with the help of the last ray of hope when it was supposed to be a dead-end, a full stop.

*All Right Now* Andrews McMeel Publishing  
Science fiction-roman.

*Plight of the Living Dead* Simon and Schuster

Gillian Zane brings zombies back! Set in the world she created with the NOLA Zombie series, are you ready for the Cajun Zombie series? What do you do when the U.S. military starts gunning down infected civilians in the streets? You...Bug Out! Captain Samantha Smith of the United States Army is on a mission to transition out of the military and get a real job. As a mercenary. The problem is, there is a virus that is really messing with her ability to get down to South Louisiana and interview for the job. Flights are shut down, there are rumors about New York being under quarantine, and now she's forced to drive all the way from Colorado Springs to the Godforsaken environment that is the Louisiana coastline. The virus is not supposed to be that big of deal, though. Or so the news says, but as Sam gets closer and

closer to the city, things get steadily worse. The iKPV virus might be running rampant in New Orleans. As chaos takes hold of the world around her, Sam steps up to command. She finds comfort and loyalty in two soldier she teams up with as the military breaks down around them. Their new mission: Survive.

*The Cat who Walks Through Walls* Ember

New York Times bestseller; 6 starred reviews! At once provocative, terrifying, and darkly subversive, *Dread Nation* is Justina Ireland's stunning vision of an America both foreign and familiar—a country on the brink, at the explosive crossroads where race, humanity, and survival meet. Jane McKeene was born two days before the dead began to walk the battlefields of Gettysburg, Pennsylvania—derailing the War Between the States and changing the nation forever. In this new America, safety for all depends on the work of a few, and laws like the Native and Negro Education Act require certain children attend combat schools to learn to put down the dead. But there are also opportunities—and Jane is studying to become an Attendant, trained in both weaponry and etiquette to protect the well-to-do. It's a chance for a better life for Negro girls like Jane. After all, not even being the daughter of a wealthy white Southern woman could save her from society's expectations. But that's not a life Jane wants. Almost finished with her education at Miss Preston's School of Combat in Baltimore, Jane is set on returning to her Kentucky home and doesn't pay much mind to the politics of the eastern cities, with their talk of returning America to the glory of its days before the dead rose. But when families around Baltimore County begin to go missing, Jane is caught in the middle of a conspiracy, one that finds her in a desperate fight for her life against some powerful enemies. And the restless dead, it would seem, are the least of her problems. "Abundant action, thoughtful worldbuilding, and a brave, smart, and skillfully drawn cast entertain as Ireland illustrates the ignorance and immorality of racial discrimination and examines the relationship between equality and freedom." (Publishers Weekly, "An Anti-Racist Children's and YA Reading List")

*Zombies in Western Culture* Simon and Schuster

A one-armed computer technician, a radical blonde bombshell, an aging academic, and a sentient all-knowing computer lead the lunar population in a revolution against Earth's colonial rule

*The Forest of Hands and Teeth* University-Press.org

Have you ever wondered what life is like for a Minecraft Zombie? Boogiemans Big Top circus is in town! Death-defying trapeze artists, loose-limbed contortionists, treacherous foot juggling and, worst of all, creepy clowns. Whats more, its open to the public! Zombie and his friends cant wait to get involved. But then

Zombies mum, Mildred, disappears... and no one except him seems worried. Zombie has to juggle practising his act, looking after his dad and little brother AND leading the investigation to find his mum. Can he hold it all together, find his mum and pull off the craziest act in the circus?

**Starship Troopers** Simon and Schuster

It's the epic battle of brains against manes. Which side are you on? It's a question as old as time itself: which is better, the zombie or the unicorn? This all-original anthology edited by Holly Black (Team Unicorn) and Justine Larbalestier (Team Zombie) makes strong arguments for both sides in the form of spectacular short stories. Half of the stories portray the strengths—for good and evil—of unicorns, and half show the good (and really, really badass) side of zombies. Contributors include many bestselling authors, including Cassandra Clare, Libba Bray, Maureen Johnson, Meg Cabot, Scott Westerfeld, and Margo Lanagan. This anthology will have everyone asking: Team Zombie or Team Unicorn? **Zombies!** Union Square & Co.

Complete with romance, action, comedy, and an army of shambling corpses, this prequel to the hit mash-up novel will have Jane Austen rolling in her grave—or crawling out of it! Four years before the events of *Pride and Prejudice and Zombies*, the Bennet sisters are enjoying a peaceful life in the English countryside, reading, gardening, and daydreaming about future husbands—until a funeral at the local parish goes strangely and horribly awry. Suddenly, corpses are springing from the soft earth—and only one family can stop them. As the bodies pile up, Elizabeth Bennet grows from a naive young teenager into a savage slayer of the undead. Along the way, two men vie for her affections: Master Hawksworth is the powerful warrior who trains her to kill, while thoughtful Dr. Keckilpenny seeks to conquer the walking dead using science instead of strength. Will either man win the prize of Elizabeth's heart? Or will their hearts be feasted upon by hordes of marauding zombies?

*Short Stories by Robert A. Heinlein* HarperCollins

In the wake of a devastating disease, everyone sixteen and older is either dead or a decomposing, brainless creature with a ravenous appetite for flesh. Teens have barricaded themselves in buildings throughout London and venture outside only when they need to scavenge for food. The group of kids living a Waitrose supermarket is beginning to run out of options. When a mysterious traveler arrives and offers them safe haven at Buckingham Palace, they begin a harrowing journey across London. But their fight is far from over??the threat from within the palace is as real as the one outside it. Full of unexpected twists and quick-thinking heroes, *The Enemy* is a fast-paced, white-knuckle tale of survival in the face of unimaginable horror.
